Session Type	Purpose	Duration
Paper Session	Paper presentations are reserved for completed works and should represent projects most fitting for referred journals.	15 minutes w/additional 5 min for Q&A
Panel	Panel presentations allow groups of colleagues to present together around a particular theme or topic. The goal of panel discussions is to provide conference participants with an opportunity to hear and engage in dialogue about cutting-edge research, practice, theory building, and/or policy. Panel organizers must identify their own chair/moderator.	60 minutes
Short Paper	Short paper presentations are designed to allow discussion around research projects in progress. Researchers will benefit from sharing their work with others to get feedback and ideas around the trajectory of their research. These papers, in their current state, would not be fitting for refereed journals.	15 minutes w/additional 5 min for Q&A
Workshop	Workshops provide opportunities for professional development through hands-on training and engage participants in focused discussions that offer new knowledge and resources.	60 minutes
Poster	Posters are a mechanism for scholars to engage in interactive discussion with other conference participants about a research project that has been completed or is in developing stages. The poster session allows conference participants with similar interests to interact by using the poster as a focal point.	Posters should be set up on Thursday at 4:30 pm . Presenters are expected to be available to talk to the judges between 4:45 pm-5:30 pm on Thursday and 9:15-10:00 am on Friday . Poster size - 48" x 60" . Easels, foam board and clips for support will be provided.
