

The *North Carolina Association for Research in Education* (NCARE) has proudly served researchers and practitioners in North Carolina since 1974. We represent educational professionals in higher education, local school districts, and the state agency. Each year we host an annual conference to showcase the research currently being conducted in our state. In addition to research presentations, we also provide pre-conference workshops to support the research efforts in North Carolina. This year our NCARE Conference is being held on February 27- February 28 at the Greensboro-High Point Marriott Airport.

NCARE is a self-supporting organization that relies on annual membership dues and conference registration fees to support our work. We are contacting organizations in North Carolina who represent the educational research community and share an interest in the efforts of our members and conference attendees to consider being a NCARE sponsor. We are asking if you would support our annual conference by being a sponsor. Your sponsorships provide monetary support to assist us in providing our conference attendees a beneficial and valuable experience. We have the following sponsorship levels:

Diamond Level (\$1000 or more)

- Organization's name and logo on the NCARE website.
- Organization's logo in the conference program.
- Recognition in the conference program on one of the inner or outer cover pages.
- A table display in the registration area of the conference and on all signage.

Emerald Level (\$500 - \$999)

- Organization's name and logo on the NCARE website.
- Organization's logo in the conference program.
- Organization's name on table display at round table presentations.

Ruby Level (\$250 - \$499)

- Organization's name and logo on the NCARE website.
- Organization's logo in the conference program.

Doctoral Student Sponsorship (\$100)

- Designate a student by name or provide funding for a student in need of financial support to attend NCARE.
- Your name and/or organization will appear in the conference program.

All logos should be submitted in JPEG format to ncareboard@gmail.com by November 30, 2019 to be included in the conference materials. All sponsorship checks should be made out to NCARE or contact me for other payment options.

We would like to thank you for considering becoming a NCARE sponsor and welcome any questions that you may have. We can be contacted at ncareboard@gmail.com or www.ncare.us.

Jennifer McGee, Ed.D.
NCARE President
Associate Professor of Research and Evaluation
Appalachian State University

Tarra Ellis, Ph.D.
